OBJECTIVE 9

To align world church resources with strategic objectives

KPI 9.1

Every organization systematically reviews and aligns resources in light of the worldwide mission priorities.

LEADERSHIP

SunPlus is a mission-driven denominational network providing and continuously improving a sound, globally applicable financial management system designed for use in the majority of the administrative and institutional organizations of the Seventh-day Adventist Church.

The image features a wall with vertical wood slats. On the left side of the wall is a logo consisting of a 3x3 grid of circles. The top row has three blue circles, the middle row has three orange circles, and the bottom row has three blue circles. To the right of the logo, the word "SunPlus" is written in a large, bold, orange, sans-serif font. The letters have a white outline and a slight glow. The wall is flanked by orange curtains on both sides. In the foreground, there are several potted plants, including purple and white orchids on the left and right, and a row of seven small, succulent-like plants in black pots along the bottom edge.

What We're Learning

“Every good gift and every perfect gift is from above...”

James 1:17

What We're Learning

Service

What We're Learning

#1 People need help.

What We're Learning

Service

#2 Feedback is a blessing.

What We're Learning

#3 We must listen to users and not just provide a solution.

What We're Learning

#4 We must recognize and factor cultural differences.

What We're Learning

Service

#5 Being good is not the same as being excellent.

What We're Learning

Workforce

What We're Learning

Workforce

#6 A distributed workforce is a blessing.

What We're Learning

Workforce

#7 Zoom is a blessing.

What We're Learning

Workforce

#8 Meeting together in person is a blessing.

What We're Learning

Workforce

#9 If we have no friction, it's possible we aren't pushing hard enough.

What We're Learning

Workforce

#10 A worldwide network is a blessing.

What We're Learning

Workforce

#11 Investing in people is important.

What We're Learning

Technology

#12 Standardization is a blessing.

What We're Learning

Technology

#13 Flexibility is a blessing.

What We're Learning

Technology

#14 We can easily spend money on stuff that doesn't add value.

What We're Learning

Technology

#15 The SaaS model is not going away.

What We're Learning

Technology

#16 Having a single source of truth is a blessing.

What We're Learning

Technology

#17 Having backups is a blessing.

What We're Learning

Technology

#18 Systems are much more than hardware and software.

What We're Learning

Church

What We're Learning

Church

#19 In many ways the church has shown that it can do technology.

What We're Learning

Church

#20 The back office is part of the mission of the church.

What We're Learning

Church

#21 Being part of something big is a blessing.

What We're Learning

What We're Learning

Church

#23 Having a worldwide church is a blessing.

What We're Learning

Church

#24 The SDA Accounting Manual is a blessing.

What We're Learning

Church

#25 Church structure
sometimes is not a
blessing.

What We're Learning

Church

#26 The spiritual component
is critical to our work.

What We're Learning

Church

#27 We need to claim and recognize supernatural assistance.

What We're Learning

Strategy

What We're Learning

#28 We need to be intentional about keeping up.

Strategy

What We're Learning

#29 We need to be more nimble.

Strategy

What We're Learning

#30 We need to be more proactive.

Strategy

What We're Learning

#31 We need better channels of communication with our users.

Strategy

What We're Learning

#32 We need to take the stigma out of failure.

Strategy

What We're Learning

#33 We waste lots of time by not documenting things.

Strategy

What We're Learning

#34 Having willing partners
is a blessing.

Strategy

What We're Learning

#35 Finding what we're good at is a blessing.

Strategy

What We're Learning

#36 Best efforts aren't
always good enough.

Strategy

What We're Learning

#37 Silos are not blessings.

Strategy

What We're Learning

#38 A crisis can be a great window of opportunity.

Strategy

What We're Learning

#39 Grassroots development and enhancements are blessings.
